

Transform Your Learning Culture with Harvard Resources

Harvard Business Publishing Collection
Powered by edls

The EDLS Platform is your gateway to impactful online learning resources, powered by **Harvard ManageMentor** and the **HBP Digital Collection**. Whether focusing on a single topic or creating a comprehensive program, EDLS delivers content in a user-friendly format.

Align for Maximum Impact

Seamlessly integrate Harvard's premier digital content—articles, courses, videos, podcasts, and more—into your organization's unique framework to maximize learning outcomes.

Tailored Learning Pathways

Create personalized learning journeys to deliver the right content to the right audience at the right time.

Rapid Deployment

Get your learning solution live in hours or days, not weeks or months.

Mobile-Friendly Experience

Access learning anytime, anywhere. Start on your desktop, tablet, or mobile device and pick up right where you left off.

Diversity, Inclusion, and Belonging

Attracting and Cultivating Talent
