HBP Collection - by EDLS ***Learning in the Flow of Work***

An employee's career progression requires continuous learning. With the Harvard Business Publishing Collection, you'll have access to the latest thinking and research-backed concepts across a broad range of management and leadership topics to drive learning across your organization. Daily content updates can keep your teams informed of the latest management trends.

Give your leaders and staff insights that matter, with content fueled by the ideas from Harvard Business Publishing, Harvard Business Review and other renowned world-class experts.

Whether it's used at a desk or on the go, the HBP Collection helps identify new ideas and trends. Read an article, watch a video, listen to a podcast -- wherever and whenever you want.

A Flexible Solution to Address Your Critical Business Challenges
